

HACA Board and General Membership Meeting

June 26, 2007, 7:00 PM @ the Denny's on 290 and 1488

We had a good turn out with most of the board and several members.

Barbara Arlington, secretary, will send me the minutes and I will go into more detail later, but we discussed the upcoming events, such as meetings in general, annual meeting, newsletter, website, Plum Creek and Haven Hill. You have already received several emails regarding Plum Creek, read and hopefully we will see you at one of the work days.

Mike McLennan is working on the Annual meeting and that information will be announced as soon as it's set in place. Tom Smith (smith77469@aol.com) is nominating committee chair and Claire Zadow is serving on the nominating committee as well, so contact either one of them for more information and to volunteer to serve in some position.

Vita Pariente is heading up the effort to combine the information/news from both BVDRC and HACA into one newsletter. Marlene has taken on the task of putting all that information together in a newsletter format. Thanks to you guys and to Karen Morris who is the HACA reporter and gatherer of news and pix. So send in your news, pix, ads, comments to Karen (mithrilmom@hotmail.com). Also cc Claire (claire@clairezadow.com) on the pix and comments of events, both past and future for the website.

We received about a dozen replies to questions regarding the meetings and the summary is as follows:

- Most folks would like to have general meetings on the weekends, and mostly Saturday evening.
- The meetings should combine driving and/or educational offerings when possible,
- The meetings should occur 4 times a year.

So with that in mind, we will be looking at places and subjects, so your input is once again vital. Send ideas for meeting locations, and if you can host a driving or non driving event at your house, or farm.....let us know.

Haven Hill still needs a volunteer chairperson. So give Marlene a call or email her if you can assist in any manner with this effort. (marlene@horsesensetrading.com)
